Sicque dispositis regni negotiis it carituris lumine

 facta sunt de duce in Polonia: Quis iste est, inquiunt,

(ducis Adalrici)

Post expletis rite funebribus exequiis accipit (Taromir) Bracislaum fratruem et ducit eum ad sedem principis, lem: et sicut semper in electione ducis faciunt, per superioris aulae cancellos decem milia nummorum aut plus per populum spargunt, ne ducem in solio comprimant, sed potius spargos nummos rapiant. Tunc dūce locato in solio et facto silentio, tenens dextram sui fratruis, Taromir dixit ad populum: Ecce dux vester! At illi succlamantur: Thirlessū, quod est Thirielejzon! Et iterum Taromir ad populum: Accedant, inquit, de gente Thunici, accedant de gente Tephca, et vocat eos nominatim, quos norat armis potentiores, fide meliores, militia fortiores et divitiis eminentiores. Quos, ut simul adesse, dixit: Quoniam me mea fratres non simunt, ut sim vester dux, hunc assignamus vobis in ducem et collaudamus, quod ei obeditis, ut dignum est duci et debitam fidelitatem exhibeatis, ut par est suo principi. Te autem fili moneo et repetens iterum iterumque monebo, istas colas, ut fratres, hos diligas, ut fratres, et in omnibus negotiis tibi consiliarios habeas. His verbis et populum ad regendum committas, per hos enim Boemiae regnum stat et stetit atque stabit in sempiternum. At illos, qui sunt Urissowici, iniquorum populum ne

quam filii, nostri generis hostes domestici, familiares  
inimici ut venosam rotam deviles et consortia eorum  
declines, quia nobis nunquam fuisse fideles. Ecce me  
innocentem et suum principem inprimis ligaverunt et  
diveris affecerunt ludibriis, post sibi innatis versutis  
et fraudulentis consiliis id egerunt, ut frater fratrem  
me priuaret oculis. Habeas, fili mi, semper in memo-  
ria s. Adalberti praecordia, qui eorum ob facta crudelia  
ter, ut fiant super eos excidia, sancto ore confirma-  
vit et excommunicavit eos in ecclesia. Quae nulli  
dei iam his sunt facta, tertio ut fiant super eos ex-  
cidia, adhuc sunt sollicita fata. At illi audientes  
haec dissecabantur cordibus et fremebant dentibus  
in eum, ut leones: nec post multas dies Kohorn,  
de quo supra relinimus, misso pectore suo, dum  
ille caecus furebat ventrem in necessario noctis in  
hora, acutissima sica perforat eum in posteriora  
usque ad cordis interiora. Sicque iustus vir, ve-

Tamque mense Septembri, dum moratur Lualopfluus dux cum rege in Panonia iuxta civitatem Posen, Borivoy cum Polonis hostiliter intrat Boemiam, Wackone et Thutina in fugam veris cum suis presidis de munitione, quae fuit firmiter posita versus terminos Poloniae; nam dux Lualopfluus abiens, duobus his omnem curam suam comiserat, et ut essent in tutelam Boemiae cunctis eos praefecerat. Cumque Wacko socium Thutinam vidisset non veriter fugare, nec viriliter hostibus resistere super munitionem, ex hac occasione ratus quod consilio eius Borivoy Boemiam intraret, mox etiam ex militibus clam misit, qui haec omnia duci Lualopfluus intimaret. Similiter alium militem instruxit dolis et misit in castra Borivoy ducis, qui paratus in utroque.

Et venare stulos simul aut succumbere morti, veniens ad praedictum ducem Borivoy, finxit se fugisse de castris Lualopfluus ducis et nuntiavit iam de Hungaria cum redire, abque in crastinum cum eis pugnatum confirmat per suae fidei sacramentum. His mendaciis illi perterriti eadem nocte in Poloniam sunt reversi. Quibus nuntiis rex Henricus fertur dixisse compatri Lualopfluus: Nisi tuas iniurias in Polonia ulciscar, proiecta vitiorum alga semper habear. Interea Lualopfluus inflammatus ira, absens in absentem Thutinam dentibus stridet, oculis scintillat et alte suspirat. Vix diem

omni crudelior morte? Erant enim bonae indolis pueruli,  
nulli spectabiles, visu amabiles, spiritus nec sagax arti-

dimus enim eos miserabiliter in forum trahi et saepius  
clamantes: mater mi! mater mi! cum cruentus carnifex  
ambos seu procellos sub ascella interficeret cunctello. Rif-  
fugerunt omnes sua pectora percipientes, ne videant car-  
nificem tam crudele facinus operantem. Ceteri vero, qui  
superstites fuerunt ex gente illa, attulerunt fuga; alii in  
Poloniam, alii fugientes in Pannoniam, de quorum excidio  
nimis et discidio licet amplius habeamus ad scribendum

fuit frater meus Borivoy, qui sub vestra potestate regnabat,

 et me quantum solitis versutis inquietastis, donec vestris  
 pravis acquiescens consiliis, peccans in fratrem meum Borivoy  
 valde peccavi, quia solis eum privavi! Et hoc est unum  
~~mihi~~ mihi, quod dolet atque dolebit in aevum. Adhuc  
 etiam atque etiam audite, o mei proceres, quid filius ini-  
 quitatis et caput totius impietatis fecerit iste Thutina,  
 quem ego nuper, cum vobiscum irem in expeditionem,  
 post me secundum reliqui huius terrae praesidem et prae-

 non festinavit noctu ire in Polonium Luvini ad oppi-  
 dum, ut cum suo patre Nemoy ageret consilio, quo me  
 pelleret de solio. Fit murmur confusum, et ardentem ira  
 ducis animum magis unaquaque, ut ardeat, per unum  
 succendunt assensum. Tunc dux assilanti et consilio sui  
 conatus lictori ex obliquo imminens, exiit foras. Qui sta-  
 tim super Thutinam nichil tale metuentem irrumpit. O  
 mira patientia comitis! Ad duos ictus sedit immobilis,  
 ad tertium vero cum surgere conatur, caput flectitur.  
 Eadem hora et in eadem stabula capti sunt Muxhav,  
Dumasa et duo filii Thutinae. Unus autem Neusa,  
 qui erat ex altera natione, valde tamen familiaris  
 Thutinae, videns, quae fiebant, fugit et aufugeret,  
 iam extra urbem fugiens per ardua, si non eum  
 notabilem redderet rubra tunica; qui illico captus,

oculis et mentula est privatus. Et sicut saepe fit, cum  
irumpit cruentus lupo in ovile ovium, saevit, mactat,  
nec prius rabiem suam placat aut a caede cessat, quam  
omnibus mactatis ovibus: ita Lucio Phili oblitus iunioris  
caede hominis, exarsit in iram et iussit, ut omnis illa  
natio sine aetatis discretionem et sine temporis dilatione  
plecteretur capite et astante comitum agmine dixit:  
Qui non abhorret mea implere iussa, dabitur ei crassa  
auri massa. Qui autem Bozey et eius filium interficiet,  
centuplum accipiet et hereditatem illorum possidebit.  
Non omnes evolvant venti, quando rex eorum Aeolus percipiat  
cuspide. litora montis, sub quo inclusi tenentur, quam  
procures Vacula, Hermannus, Kirassa et alij quam plu-  
rimi intolunt copios, et volant praefecti curru in fater

Interea Bozey in villa Lubici bene ignarus factorum,  
dum se locat cum filio et uxore ad frandium, astibit

quit, de expeditione; veniant ad nos cum Dei benedictione.  
Dum haec loquitur, ecce tracentus Kirassa asperit ostia,  
et fulgurans evaginato gladio clamat: Exi, scelestus, exi, ma-

causa in tempore Quadragesimae. Et surgens filius eius  
Boruth: Quid, inquit, fratres agitis? Si iussi sumus, ut

 Poloniam una cum Borziboy et Sobieslao Bohemiae duci-

 ne universa Bohemia in ditionem adversariorum per-

 remeabat. In cuius maeroris solatium Henricus impe-

 ne Swanthofeldone, et non tam Polonis, quam suis  
 vicariis Waczoni et Thutinae pro vastitate, quae  
 Bohemiae contingerat, irato, Waczlo omnem culpam  
 in Thutinum reiiciens, illum astribat, illius vastitatis  
 fuisse autorem et ministrum. Comprehensus itaque a  
 Swanthofeldone Thutina, et causa neque examinata,  
 neque dicta, illico capite damnatus est; Mislaw  
insuper et Domaskaw et duo filii Thutinae, item Borziboy  
cum filio suo Borzach, singuli de genere Wrazowicen,  
sum capti, decreto regis truncantur. Caetera Wrazowici,  
censu cognatis in Poloniam (olere quippe universos

Swanthopelt inserat, permissoribus praemium bona-

quum et liberalem dominum Boleslaum Poloniae  
ducem nactus, in magnam et numerosam familiam  
et sui generis progeniem, et civitatum, castrorum  
atque villarum amplam possessionem se diffudit. Verro,  
wicrensi tamen veteri nomine abrogato, Rurita,  
rum vocabulum sortita est. Columanus insuper Hun-  
gariae rex, Henrico imperatore de finibus regni sui  
discedente, petitionem de Swanthopeltone ab Henrico Bo-  
hemiae petentis, Thauriam ingreditur, et feroci  
atque exulcerato animo populationem latius iubet  
extendi et cuncta flammis oblimari. Jam foedam  
domini sui vastationem Swanthopelt prohibiturus,  
cum interim copias aeque eduxisset, in unius silvae  
transitum a ramo arboris fortiter in oculum suum fortu-

cum exercitu coactus est: Thauriam quoque tanto sae-

niezakończona genealogia jest tylko przypuszczeniem z dokumentu bez  
daty (prawdop. r. 1223 - Acta Perusica I, 276) występują tam: Dzierży,  
syn Gawrocha, Groł syn Groła i Kozestan syn Kozysłyna jako opiek  
i synowie Wroczława i Piotra synów Kozysłyna Piotrowicza. Dzier  
żę, Groł to Rzymi, Kozosyn Piotrowicz i jego dzieci to dalej  
i synowie więc sama obcych kolejnośń była na bardzo bliskim
